THE UNIVERSITY OF MANITOBA

Department of Computer Science

DEPARTMENTAL COMPUTER ACCOUNT APPLICATION

Part A – To be completed by instructor/supervisor/sponsor (or applicant, if staff member)
Course #: Name: ____________________________________________________ (or purpose of account)
Instructor/Supervisor: ___________________________ Dept: ___________________________ Systems to be used:
□ Solaris, □ Linux, □ Windows, □ Other ___________________________
Effective Date: _____________ ___ , 20____ Expiry Date*: ____________ ___ , 20____ Special Instructions: (e.g. groups, quotas, combos access, etc.) ________________________________
________________________________________________________________________________________
________________________________________________________________________________________
* must be specified for all accounts other than for Computer Science staff and graduate students

Part B – To be completed by applicant (please print legibly)
Name (as on student/staff card): ___________________________________________________________
Student/Staff Number: _______ _______ _______ _______ (if applicable)
Status: _______________________ (i.e. undergrad, graduate, staff)
Department/Institution: _______________________ (if not U of M Computer Science)
Requested Userid (8 char. max.): _______ _______ _______ _______ (e.g. CC Unix userid)
Requested Password (8 char. max.): _______ _______ _______ _______ (account must have initial password)
Usual Full Name (if different than Name above): _______________________________________________
Signature: ___________________________________________________________

By signing this agreement, the applicant agrees to use the account responsibly, and abide by whatever guidelines of conduct are set forth by his/her instructor/supervisor and by the department. Abuse of these guidelines is a serious offence which will be dealt with according to University policy, which can include suspension of account, expulsion from the University, and criminal prosecution.

Part C – To be subsequently returned to the applicant if changes to Part B are necessary
Assigned Userid (8 char. max.): _______ _______ _______ _______ (if not as requested)
Assigned Password (8 char. max.): _______ _______ _______ _______ (if not as requested)
Assigned Account Number: _______________________ (if applicable)

Note that all accounts are initially created with the above passwords. It is the applicant’s responsibility to change password after receiving the account and to keep this password private. Passwords must not be trivial, such as names or words in a dictionary, or reversed words. Consult your instructor if you are unsure how to change your password.
